✓ - Included ✗ - Excluded R - Restricted

Please keep in mind that this isn't the full list of services covered. If you're planning a trip to hospital, it's always a good idea to call us and check what you're covered for before being admitted.

GOING TO PUBLIC HOSPITAL AS A PRIVATE PATIENT?

Public hospital waiting lists apply whether you are a public or a private patient, so check these with your doctor and the hospital.

RESTRICTIONS & EXCLUSIONS

A restricted service means you're covered in a public hospital as a private patient. If you have restricted services on your cover and you're admitted to a private hospital for one of these services, you'll have large out-of-pocket costs.

All of our Hospital products exclude cosmetic surgery and services not covered by Medicare except for Podiatric Surgery (by a registered Podiatric surgeon).

An excluded service means you have no cover at all.

WHAT'S NOT COVERED

There are a few things that aren't covered by your hospital cover.

They include treatments & services that:

- ✗ are received within your waiting periods
- ✗ Medicare doesn't cover (like cosmetic surgery) except for Podiatric Surgery (by a registered Podiatric surgeon)
- ✗ are received outside Australia
- ✗ are covered by compensation or another type of insurance (like third party or sports club insurance)
- ✗ were received more than 2 years ago
- ✗ Outpatient treatment & services (unless there's a special agreement between us and the hospital) and:

- ✗ Some high cost drugs (non PBS/TGA approved)
- ✗ Pharmacy – most pharmacy items that you're given while you're in hospital are covered by your hospital bill. The hospital may charge you extra for pharmacy items that you take home with you and this isn't covered by your hospital cover.
- ✗ Prostheses that aren't listed on the Government's Prostheses List. (A prosthesis is an artificial substitute for a body part.)
- ✗ Some medical devices and consumables
- ✗ Experimental treatments

Please get in touch with us if you're planning a hospital admission so we can talk you through your cover and any out-of-pocket costs you might have.

Important Information

ACCESS GAP

Access Gap is a scheme to reduce your out-of-pocket expenses for specialist treatment in a hospital or day surgery (also known as inpatient treatment).^{*} First you need to ask your specialist if they participate. If they do, we pay them more than the Medicare Benefit Schedule fee – resulting in lower or no out-of-pocket expenses for you. *Note: Doctors can choose to take part in Access Gap on a case-by-case basis.*

To find specialists who participate in Access Gap services, use our search tool here peoplecare.com.au/findaprovider.

^{*}Consultations, for instance, are only claimable through Medicare. Procedures (aka treatment, operation, surgery) may be claimed from a health fund.

AGREEMENT HOSPITALS

We have agreements with most private hospitals in Australia. If you're admitted to one of the few private hospitals that we don't have an agreement with, we may not cover the full cost of your hospitalisation. You can search our agreement hospital list at peoplecare.com.au/findahospital, and we recommend that you contact us if you're planning a hospital admission to discuss exactly what you'll be covered for.

HOW TO MAKE A HOSPITAL CLAIM

Hospitals usually check your cover with us before you're admitted (hospitals can check online 24x7, so you won't need to wait for business hours) and let you know of anything you need to pay them up front. When you're discharged, just check their account to make sure it's right and then the hospital will send the claim straight to us. We take care of it all for you and let you know how much we've paid on your behalf later.

MEDICAL CLAIMS

Your doctor should discuss with you all of the costs of your treatment before you're admitted to hospital. This is called Informed Financial Consent. Your Doctor will usually send the claim straight to us and we'll take care of it for you, but if they don't, you will need to complete two Medicare forms (their claim form and their Two-way claim form) and send it to Medicare with your accounts. Once Medicare have paid their bit, we'll take care of our part.

We know that Medicare can be confusing and difficult to navigate, that's why we have a team of experts to help you do just that. So if you need help at any time, just give us a call on 1800 808 690.

YOUR PRIVACY

We're committed to the Privacy Act and Australian Privacy Principles, which means we only collect the information we need to give you access to health services. We won't collect any personal information unless we've asked first. We only collect information that we need to give you access to health services, and we don't collect personal information unless we ask you first. We protect your personal details and we'll only share your information if it's needed to provide our services. You can read our full Privacy Policy at peoplecare.com.au/privacy or give us a call on 1800 808 690.

IF YOU CHANGE YOUR MIND...

Changed your mind about your cover? Just let us know within 30 days of joining or upgrading your cover and you'll get a full refund of any premiums paid (as long as you haven't made any claims in that time).

Important Information

PRE-EXISTING CONDITION

A pre-existing condition is any ailment, illness, or condition that you had signs or symptoms of (in the opinion of a medical practitioner appointed by the health insurer) that existed during the 6 months before you joined a hospital cover or upgraded to a higher hospital cover. It is not necessary that you or your doctor knew what your condition was or that the condition had been diagnosed. A condition can still be classed as pre-existing even if you hadn't seen your doctor about it before joining the hospital cover or upgrading to a higher hospital cover.

EXCESS

The excess applies to each person on your cover and there is a maximum amount for each person per financial year. There are different excess options, depending on the product.

These include:

- Nil excess
- \$150 per person or \$300
- \$250 per person or \$500
- \$500 per person or \$1,000 per couple/family per financial year.
- \$750 per person or \$1,500 per couple/family per financial year.

Please note: If the charge for your first admission is less than the excess amount, any remaining excess must be paid if you're admitted again in the same Membership Year. If you have any questions about your excess call us on 1800 808 690.
