Your cover summary

Welcome to your annual cover summary. This shows you who's included on your cover, what your payments are and what level of rebate you're claiming (if at all) in a table on the next page.

Along with your cover summary we've also sent your blue **Private Health Information Statement** (PHIS) which is a summary of the key features of your cover in the government's standard format.

The PHIS is designed to help you understand what's on your cover and compare your cover to others available using privatehealth.gov.au.

Why am I getting this?

- This is just a statement of what's on your cover to help you understand what you're covered for. We suggest reviewing your cover every year to make sure it still suits your needs. To give you a hand comparing covers, you can visit peoplecare.com.au/help-me-choose, email us on info@peoplecare.com.au or give us a buzz on 1800 808 690.
- **You don't need to do anything if you're happy with your cover.**
- **Your membership info** on the next page has your actual (net) premium. The blue PHIS has your gross premium before rebate, loading and discounts are applied.

If you would like help understanding your Private Health Information Statement, visit peoplecare.com.au/PHIS.

If you've got any questions or there's anything else we can help with, please get in touch.

Take care,
The team at Peoplecare
